

## PURE EAA

Essential amino acids and electrolytes to assist in the building of lean muscle

NPN:80081384

Pure EAA is a concentrated formula of 9 essential amino acids and electrolytes which acts to promote recovery and lean gain. Are you familiar with BCAAs, popular for their strength in reducing muscle catabolism? Unfortunately, many think they're promoting muscle gain, while this process is impossible without having all the essential amino acids that compose the muscle.

For this reason, ATP has developed Pure EAA for those who gain muscle mass is a priority.

### Ingredients - Per portion de 10 g. (1 scoop)

• Leucine.....	2,58 g
• Isoleucine.....	1,29 g
• Valine.....	1,29 g
• Histidine.....	130 mg
• Methionine.....	130 mg
• Phenylalanine.....	130 mg
• Threonine.....	130 mg
• Tryptophan.....	130 mg
• Lysine.....	860 mg
• Potassium.....	85 mg
• Sodium.....	85 mg

**Non-Medicinal Ingredients:** Natural Raspberry flavor, Citric acid, Organic Stevia.

### Recommended use:

- Workout supplement.
- Source of (an) essential amino acid(s) for the maintenance of good health.
- Source of (an) (essential) amino acid(s) involved in muscle protein synthesis.
- Assists in the building of lean muscle tissue/mass when combined with regular weight/resistance training and a healthy balanced diet.

### Recommended dose:

- Adults: Mix product well in 1-2 cups of liquid (water, juice, etc) immediately before consumption. Additional Dosage Information: 1 scoop=10g.

### Cautions and warnings:

- Ensure to drink enough fluid before, during, and after exercise. If you are pregnant or breastfeeding, consult a healthcare practitioner before using this product.
